How do I capture years of memory and emotion in this little ad? We've had so much fun together. You are my best friend, and I cherish all the things we've loved over the years: Twilight, guard, Thor, volunteering, late night movies and all our private jokes. **You are my captain, valedictorian and homecoming queen!**

I am so proud of the beautiful person you have become. I will miss you when you're at school, but I know you are ready to fly on your own. You are sure of your path, and I have no doubt you will soar far and high in your flight. Wishing you much love and success in your future!
