# "Perry High"

By Raul Moreno

Can you believe it?

We're graduating.

I can barely do my laundry

But I think I'm ready!

Every class we've taken,

Even the ones we've hated,

All led up to this one moment

I think we made it!

But I,

I'm gonna keep flying.

Gotta keep that falcon pride!

There's always gonna be another deadline.

We're always gonna wanna make it move.

Always gonna be another

Southport.

We're never gonna like to lose!

Someday we'll look back but right now,

I'm excited for what's waiting on the other side

Of Perry High.

We might've not known it,

But these are the moments that

We're gonna remember most so

Let's start to own it.

We had some struggles.

Not the best reputation. Like,

In 6th grade when they cancelled field day,

That was kinda awkward.

But hey,

Look how far we've come,

And I've never been so proud!

There's always gonna be another deadline.

We're always gonna wanna make it move.

Always gonna be another Southport.

We're never gonna like to lose!

Someday we'll look back but right now,

I'm excited for what's waiting on the other side

Of Perry High.

I'm so thankful that you gave me this chance.

It's been an honor serving all of you.

My heart will always have a place for

The home of the silver and the blue!

Someday we'll look back but right now,

I'm excited for what's waiting on the other side

Of Perry High.
